

CAL ALUMNI CLUB OF ROSSMOOR

MESSAGE FROM OUR CLUB PRESIDENT

December 2020

Dear Cal Alumni Club Member,

Speaking for the Rossmoor Cal Alumni Club Board of Directors, I wish you good health and safety in these uncertain times. Because of the pandemic, we canceled most of our regular annual events, and those scheduled for 2021 are in doubt.

The first two, January's yearly Membership Meeting and April's Annual Dinner, are almost certain to be canceled. The next best chance is the Picnic, slated for August. We will keep our fingers crossed on that one. The board has been meeting regularly, trying to maintain some semblance of normalcy and ensuring that whenever all the restrictions are lifted the club is ready to go.

After much discussion, the board decided the club would collect membership dues for 2021, \$20 per person or \$25 per household with more than one member. Yes, one of the benefits of dues is a reduced price for the annual events. That did not apply in 2020, and 2021 is in question. But the dues do more than that. Primarily they fund our annual scholarships. Think of it as a way to continue your support of Cal. We did an informal survey of other Rossmoor Clubs and found some are collecting 2021 dues, some are not.

We are trying to come up with 2021 events we can do remotely, maybe some in conjunction with the Stanford Alumni Club. Any ideas are welcome.

Have as good a holiday season as you can under the circumstances and by all means, stay safe and healthy.

Go Bears!
